Wedding Collections

Our restaurant comfortably seats up to 60 guests for a sit-down wedding breakfast, offering a relaxed and intimate atmosphere for your special day. If you are planning a larger celebration, we can also help arrange a marquee, with costs dependent on the supplier used, or you are more than welcome to organise your own marquee company should you prefer.

When it comes to entertainment, we can organise live bands or DJs from our trusted list of performers who know the venue well, or you are welcome to book your own entertainment to suit your personal style and vision. For added reassurance during your planning, we also strongly recommend taking out wedding insurance to provide peace of mind and protect your arrangements.
